

Who has the
privilege to ponder
such things? Who
can actually afford
this shit?

Why must I
choose? Why can one
facet become who I
am at any given
moment?

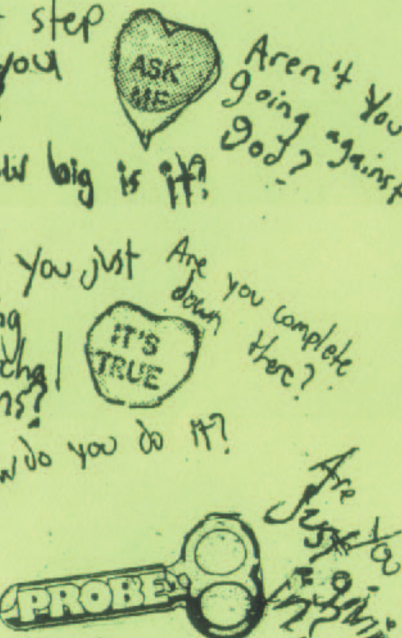

A.) Eroticize me...
B.) Disempower me...

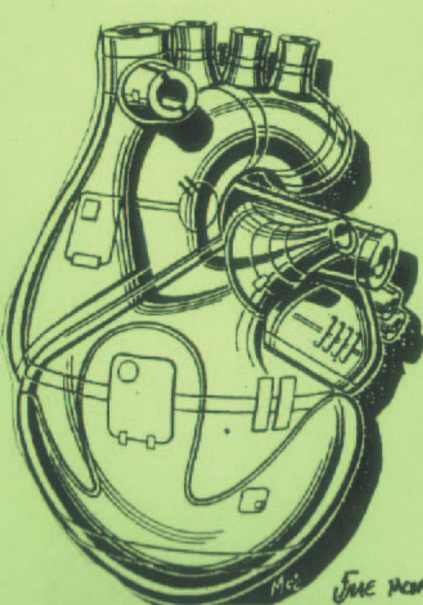

What makes
you feel
so entitled
to make me
feel so
NOT entitled?
To my own body
even?

What step
are you
on?
How big is it?
Aren't you just
reifying
patriarchal
norms?
How do you do it?
Aren't you just
going against
God?
Are you complete
there?
How do you do it?
I see
your scars?
Can I
probe
if I
Am I
Gay
Fuck you?

Still human...
